**Title:**

Boat Ramp

---

**Issue:**

Should the Village construct the boat ramp improvement proposed by the Lower Cliff Fishing Club?

---

**Background and Additional Information:**

Late last winter the High Cliff Fishing Club requested to add 10-feet of concrete on each side of the current boat ramp on Windswept Lane in Sherwood. The boat ramp property is owned by Harrison. The work was to be completed and paid for by the fishing club. The Village agreed to submit the application for the necessary permit.

During the past year, staff has been going back and forth between the fishing club and the DNR regarding the permit requirements. The fishing club was having a hard time completing the permit and site plans. The latest requirement is that the DNR General Permit must be applied for online. One of the qualifying questions for the permit is that the boat ramp must be owned and constructed by the local municipality.

---

**Budget/Financial Impact:**

Unknown.

---

**Recommendation:**

The Village apply for the permit and complete the work and the High Cliff Fishing Club reimburse the Village for the costs.

WHEREAS, Wis. Stat. § 66.0301(2) provides that any Village may contract with other municipalities for the receipt or furnishing of services or the joint exercise of any power or duty required or authorized by law; and

WHEREAS, Wis. Stats. §§ 61.28, 61.29, and 61.31 provide specific authority for Villages to provide for law enforcement and Wis. Stat. § 61.65(1) requires that certain Villages provide police protection by a variety of means, including contracting with a County; and

WHEREAS, the Wisconsin Attorney General has concluded that a “County has an interest and duty to provide law enforcement in all of the Villages and towns, and that the Sheriff and his deputies can enforce Village or town ordinances if necessary to maintain peace and order,” and

WHEREAS, County and Village (collectively, “the Parties”) have concluded that it would be in their best interests to enter into this Contract for the purpose of permitting County to provide certain supplemental police services to Village; and

WHEREAS, the incumbent Sheriff of Calumet County has approved this Contract;

IN CONSIDERATION OF the mutual covenants and promises hereinafter set forth and for other good and valuable consideration, the receipt of which is acknowledged by the Parties, it is agreed as follows:

**1. Scope of Services.**

- a. The County shall furnish to the Village police patrol services to be rendered for an average total of 40 hours per week or 2080 hours per year. Trial time and trial preparation in connection with Village ordinance enforcement shall be counted as a portion of the 40-hour weekly average. Intake Court and case preparation time in connection with initial appearances for violations of Wisconsin Statutes or Village ordinances will not be counted toward the 40 hour per week average.
- b. The Village shall have the right to additional law enforcement services. Should the Village determine a need for additional law enforcement service(s), it will notify the County, in writing, of the specific additional law enforcement service(s) within 60 days of the request. The cost of the

- additional law enforcement services shall be determined based upon the current hourly contractual rate.
- c. All time spent by officers, under the terms of this Contract, will be recorded on separate daily worksheets. The Sheriff's Department will provide a summary of monthly activity and call data to the Village. The Sheriff's Department will also provide the Village law enforcement record keeping for the activities of County officers under this Contract.
2. **Reservation of Authority.** The Sheriff shall have sole authority to exercise discretion in the performance of the Sheriff's law enforcement duties; that the Sheriff shall have sole discretion to schedule and direct officers who may provide services under this contract; that officers patrolling in the Village are deputy sheriffs serving solely under the control of the Sheriff; that neither the sheriff nor any deputy sheriff shall be deemed to be a Village officer when performing any services in connection with this Contract; and that Village shall have no supervisory control over the Sheriff or any such officers.
- a. The officers will enforce all local ordinances subject to the instruction of the Sheriff. The Village Attorney will handle the prosecution of those matters in any proceedings to enforce Village Ordinances. It is further agreed that the fines or forfeitures for State charges shall be turned over to the County and the fines and forfeitures for those offenses that are violations of Village ordinances will be turned over to the Village.
  - b. At all times the County's responsibility hereunder shall be subject to the availability of its forces and at the Calumet County Sheriff's sole discretion.
3. Under this Contract the County is not providing all of the Village's police services and the services provided under this Contract are supplemental in nature. The County is not and may not be required to provide any specific supplemental services pursuant to this Contract.
4. **Remuneration:**
- a. The Village shall pay the County \$107,943.16 in quarterly installments of \$26,985.79, due on the first day of each calendar quarter (January 1<sup>st</sup>, April 1<sup>st</sup>, July 1<sup>st</sup> and October 1<sup>st</sup>).
  - b. If the Village desires law enforcement services in addition to those set forth in Paragraph 1 above, the hourly rate is \$51.90 per hour.
  - c. The County reserves the right to increase the hourly and yearly rate for each year this Contract is in effect in order to reflect any changes in officer compensation due to any contract between the County and the legally authorized bargaining unit representing the Calumet County Deputies. The County will notify the Village of any increase 30 days prior to the increase.

- d. In the event this Contract is terminated, the Village shall pay for the services rendered prior to and including the day of termination on a pro-rated basis.
- e. In the event the Sheriff's Department is unable to or does not provide a total of 2080 hours of service each calendar year, during the term of this Agreement, the number of hours less than 2080 shall be multiplied by \$51.90, and this amount shall be deducted from the fourth quarterly payment due to the County.

**5. Term, Continuation, and Termination.**

- a. The Term of this Contract shall be from January 1, 2017 to December 31, 2017, or until terminated pursuant to paragraph 5(c).
- b. Upon the expiration of the term of a Sheriff who has approved this Contract, this Contract may be continued by the successor to such Sheriff upon written notice to the County and Village Clerks, provided that this Contract has not at any time been terminated pursuant to paragraph 5(c).
- c. Either party may terminate this Contract at any time by providing 90 days' written notice to the other party.
- d. Should the Village terminate the contract under the terms of paragraph 5c of this Contract, the Village shall be subject to a cessation fee.
- e. Should the Village terminate the contract under terms of paragraph 5c of this Contract, the County shall make every effort to reassign deputy(ies) within enforcement functions. In the event the County is unable to reassign the deputy(ies) and is required to lay off County deputies, the Village shall pay the County the costs of unemployment for the County deputy(ies) until such time that the deputy(ies) are rehired or no longer receiving unemployment compensation. Only the costs associated with the personnel laid off are the responsibility of the Village. Such costs will be billed to the Village on a monthly basis on 30 days net terms.

- 6. **Vehicles and Equipment.** All vehicles furnished by the COUNTY under this CONTRACT shall carry the identifying marks of the Sheriff's Office. All vehicles and other equipment shall remain the property of the COUNTY.

**7. Breach:**

- a. Any violation by Village of any portion of this contract shall constitute a breach of this Contract by Village. In the event of such breach, County shall have the option of declaring this Contract terminated. If this Contract is declared terminated by County, Village shall pay County for such police service rendered

- b. Any violation by County of any portion of this contract shall constitute a breach of this Contract by County. In the event of such breach, Village shall have the option of declaring this Contract terminated. If this Contract is declared terminated by Village pursuant to this paragraph, Village is not liable for any charges for police services rendered after receipt of written notice of termination by the County, with payment for services rendered prior to receipt of that notice to be prorated on the basis of the hourly charge set forth above.
8. **Hold Harmless.** Village agrees to hold County, its officials, agents, and employees harmless from and against any and all causes of action, claims, demands, costs, expenses, judgments, legal fees, liabilities, or losses (including, without limitation, reasonable attorneys' fees), for damage to property, injury to or the death of any person, or any actual or alleged violation of any applicable code, law, order, ordinance, regulation, rule, or statute that may arise out of or is in any way related to the subject matter or performance of this Contract. The covenants contained in this paragraph shall survive the termination of this Contract regardless of the cause of such termination.
9. **Compliance With Laws.** County and Village agree to comply with all applicable codes, laws, ordinances, regulations, rules, and statutes of any public authority that are in any manner related to the performance of this Contract.
10. **Entire Agreement.** This Contract constitutes the entire agreement between the Parties and supersedes any and all other agreements, either oral or written, between the Parties with respect to its subject matter. Each Party acknowledges that no representation, inducement, promise, or agreement has been made by or on behalf of any Party which is not embodied herein and agrees that no agreement, promise, or statement not contained in this Contract shall be valid or binding.
11. **Modification.** This Contract may not be altered, amended, or modified except by written instrument signed by the Parties expressly stating that it constitutes an amendment to this Contract. Under no circumstances shall County be liable for the cost of any changes or additions to the work to be performed unless such changes or additions are agreed to by County in writing signed by a person with lawful authority granted by County to accept such changes or additions.
12. **Notices.** All notices, reports, requests, or demands to be given by either party to the other under the provisions of or in connection with this Contract shall be sent, postage prepaid, by registered or certified mail, return receipt requested, properly addressed to the respective party as follows:

The failure of a Party to exercise any provision, right, or election shall not preclude or prejudice the Party from later enforcing or exercising the same or any other provision, right, or election that it may have under the Contract.
14. **Governing Law and Venue.** This Contract shall be governed by and construed in accordance with the laws of the State of Wisconsin and venue shall lie with the Calumet County Circuit Court.

21. **Non-appropriation.** If during the term of the Contract, the Calumet County Board of Supervisors shall fail to appropriate sufficient funds or approve necessary revenue amounts to carry out Calumet County's financial obligations under this Contract, this Contract shall be terminated as of the date existing funds have been exhausted and no funds are available and such termination under this non-funding provision becomes effectively immediately, without penalty to the County.
22. **Waiver of Wis. Stat. §893.80.** The Village hereby waives the requirement that the County comply with Wis. Stat. §893.80 in the event that the County sends an invoice when the Village thereafter fails to pay said invoice within 60 days thereafter. Further the Village agrees that it will not plead the affirmative defense of failing to comply with the notice provisions of Wis. Stat. §893.80 in the event the County sends an invoice and the Village thereafter fails to pay said invoice within 60 days thereafter and the County files suit against the Village for payment of said invoice(s).
23. **Headings.** The headings of each paragraph are for ease of reference and shall not be used to interpret the provisions of this Contract.
24. The recitals are incorporated herein and made a part of this Contract.

## **Overview:**

The applicant is proposing a 2-lot certified survey map (CSM) for the property located at W5595 Hwy 114. The property is currently divided into 2 parcels and is zoned General Agricultural [AG]. The CSM will adjust the lot line between the two parcels in order to have all the buildings on one parcel. Lot 1 is proposed to be 7-acres and will contain the buildings. Lot 2 is proposed to be 15.43-acres and will only have farmland. There is an ingress/egress easement on Lot 1 for Lot 2 to utilize as access from Hwy 114.

## **Attachments:**

- Certified Survey Map

## **Staff Recommendation:**

Staff recommends approval of the Certified Survey Map request as submitted. It should be clarified if the ingress/egress easement will be recorded as a separate document or whether additional language will be added to the CSM specifying the easement rights?

Re: Agenda Item 8c: CSM – Meridian Investments

---

## Overview:

The applicant is proposing a 2-lot certified survey map (CSM) for the property located along the west side of Friendship Road between County KK and Hwy 55. The property is currently zoned General Agricultural [AG] and is partial divided by an intermittent stream. Lot 1 is proposed to be 10.723-acres and Lot 2 is proposed to be 1.730-acres. The proposed lot line follows the intermittent stream that divides the property. The CSM identifies wetland boundaries and the ordinary high water mark (OHWM) of the stream. There is a buildable area remaining on the proposed Lot 2.
