VILLAGE BOARD MEETING

VILLAGE OF HARRISON

From:

Jennifer Weyenberg, Village Clerk-Treasurer

Meeting Date:

November 13, 2018

Title:

November 6, 2018 General Election Report

Issues:

Long wait times were reported by voters in Wards 11-13; Results were not reported until 1:00am; Complaints that machines were programmed by Outagamie Co.

Background and Additional Information:

Voter turnout for the General Election was 85%. Approximately 2,568 ballots were cast at the Harrison Municipal and 3,097 at Christ the Rock. Here's a breakdown by Reporting Unit:

Reporting Unit	Voter Participation	Election Day Registrations
Wards 3-4 (District 6)	83%	73
Wards 5-6; 10 (District 7)	86%	83
Wards 7-9; 14 (District 10)	82%	60
Wards 11-13 (District 9)	89%	162
Ward 15 (District 12)	88%	15
Ward 16 (District 16)	87%	19
Ward 17 (District 8)	72%	3
Ward 18 (District 4)	84%	35

As you can see, the reporting unit of Wards 11-13 (District 9) had the highest percentage of voter turnout and also the highest number of Election Day Registrations which resulted in longer wait times for those voters. This area covers a large territory of the village including a portion of land north of Manitowoc between Coop Rd and Noe Rd, all land south of Manitowoc Rd between County LP and County N, and all of the Fire Lanes. This is also the territory that has been developed in the past couple of years- Kambura Acres, Flowering Meadows, Northshore Woods, Harrisville Place, Papermaker Ridge, and the North Shore Apartments which has increased population that is of voting age. Under state law, boundaries of each ward shall remain unchanged until the next federal census which will be in 2020.

Due to other issues including voters not having photo id, registrants not having proof of residency documents, absentee voters arriving in-person to vote, and non-Harrison residents being at our polling places, our extra hands were not able to start processing absentee ballots into very late in the evening which delayed us being able to get results to the County in a timely manner.

A question commonly asked throughout the day was why the election tabulators had Outagamie Co. programmed on the main screen. As a reminder, our equipment was purchased through Outagamie County's contract with ES&S and I work with Outagamie Co. Clerk and Deputy Clerk to program our machines.

Budget/Financial Impact:

NOTICE TO EMPLOYERS

It may be a violation of state law to discriminate against a job applicant because of an arrest or conviction record. Generally speaking, an employer may refuse to hire an applicant on the basis of a conviction record only if the circumstances of the offense for which the applicant was convicted substantially relate to the circumstances of the particular job. For more information, see [Statute 111.335](#) and the Department of Workforce Development's publication, *Arrest and Conviction Records Under the Law*.

Before you make a final decision adverse to an applicant based on the following arrest record, in addition to any other opportunity you offer the applicant to explain the following arrest record, please notify the applicant of:

1. His or her right to challenge the accuracy and completeness of any information contained in a arrest record, and
2. The process for submitting a challenge

The applicant should submit his or her challenge to CIB on Form DJ-LE-247. Form DJ-LE-247 is available free of charge on [The Department of Justice website](#) or by calling (608) 266-7314. A challenge may include a request for comparison of the fingerprints of the person submitting the challenge to the fingerprints on file that are associated with the Wisconsin arrest record below.

NO RECORD FOUND

An arrest record search based only on a name, date of birth, and other identifying data that is not unique to a particular person (like "sex" or "race") may result in:

1. Identification of criminal history records for multiple persons as potential matches for the identifying data submitted, or
2. Identification of an arrest history record belonging to a person whose identifying information is similar in some way to the identifying data that was submitted to be searched, but is not the same person whose identifying data was submitted for searching. The Crime Information Bureau

(CIB) therefore cannot guarantee that the response below pertains to the person in whom you are interested without a fingerprint submission.

Based on the above identifying data provided for this search, no matching Wisconsin arrest records were found at this time. These search results do not preclude an individual from having an arrest record at a local law enforcement agency that was not reported to the Department of Justice or in another state, or juvenile records that are confidential by law. The results of this search are effective and current for the date of this search only. A new search should be submitted if an updated response is needed at a later time.

Policy Guidelines for Operator Licenses

Intent.

Any person 18 or older who is serving or selling alcohol beverages in an establishment with a Class A, B, or C license must obtain an operator's license (commonly referred to as a bartender's license), unless the person is under (a) the immediate supervision of someone with the privilege of an operator's license, (b) the approved agent of a corporation or limited liability company, (c) a person with an operator's license, or (d) a person with a manager's license. It is the responsibility of the Village Board to issue an operating license to any applicant who is qualified under state law.

All applications for operators' licenses are processed in the Office of the Village Clerk and background checks are conducted. All applications, along with the findings of those background checks, are forwarded to the Village Board and placed on the Consent Agenda for consideration. The Village President or any Trustee may request the removal of an application from the Consent Agenda for further discussion. The Village Board makes the final decision on licensing by either accepting or rejecting the application.

Because individuals granted an operator's license must act in cooperation with the Calumet Co. Sheriff's Department to enforce the alcohol beverage laws, drunk driving laws, and assist with minimizing disturbances of the peace and maintaining the safety of the community, individuals with a past history of negative or uncooperative contacts with police agencies will be scrutinized. The following guidelines have been adopted to help the board in making its decision and determining what circumstances are more likely to result in denial of a license application.

Guidelines.

Wisconsin's Fair Employment law prohibits the denial of a license based on a pending arrest or conviction unless the record "*substantially* relates" to the licensing activity. However, the law does not specifically define this term. For the purposes of licensing, the board determines that:

there is a *substantial* relationship between the illegal purchase, use, and sale of controlled substances AND engaging in bartending which involves the purchase and sale of a closely regulated substance;

there is a *substantial* relationship between offenses of drunk driving and underage drinking AND engaging in bartending; and that

committing law violations while under the influence of drugs or alcohol shall be considered as reasons for denial.

Subject to Wisconsin's Fair Employment Law, an applicant may not be a "habitual law offender". For the purposes of licensing, the board further determines that "habitual" refers to:

Two (2) or more offenses within the past five (5) years.

Three (3) or more offenses within the past seven (7) years.

Six (6) or more offenses within the past ten (10) years.

Grounds for Denial.

Any person who has been convicted of a felony, unless duly pardoned, does not qualify for an operator's license.

Any person who has not truthfully and completely filled out the application does not qualify for an operator's license.

Any person who has been convicted (or charges pending) of the following does not qualify for an operator's license:

1 or more offenses within the last 5 years related to battery, sexual assault, injury by negligent use of a vehicle, hit and run, or intimidation of a witness or victim. These offenses are all considered to be crimes against other persons.

1 or more offenses within the last 5 years related to resisting or obstructing a police officer, bribery of a public employee or official, bail jumping, or perjury. These offenses are all considered to be crimes involving lack of cooperation with law enforcement.

1 or more offenses within the last 5 years of maintaining a drug trafficking place, possession with intent to manufacture, or distribution of illegal substance.

2 or more offenses within the last 5 years of possession of a controlled substance or drug paraphernalia.

2 or more offenses within the last 5 years of operating a motor vehicle while under the influence of intoxicants or drugs.

2 or more offenses within the last 5 years of open intoxicants in public places or in a motor vehicle.

2 or more offenses within the last 5 years of disorderly conduct or damage to property.

Applicant's Right to Appeal.

If the application is denied by the board, the Village Clerk shall, in writing, inform the applicant of the denial, the reasons therefore, and of the opportunity to request a reconsideration of the application by the board in a closed session. Such notice must be sent by registered mail to, or served upon, the applicant at least ten days prior to the board's reconsideration of the matter. At such reconsideration hearing, the applicant may present evidence and testimony as to why the license should be granted.

If, upon reconsideration, the board again denies the application, the Village Clerk shall, in writing, inform the applicant of the reasons. An applicant who is denied any license, upon reconsideration of the matter, may apply to circuit court, pursuant to Wis. Stats. § 125.12(2)(d), for review.

Conclusion.

This policy attempts to set standards for the denial of an operator's license and ensures that any denial shall be consistent with the criteria outlined above.

This policy was adopted by the Village Board on February 28, 2017.

VILLAGE BOARD MEETING

VILLAGE OF HARRISON

Date: November 13th, 2018

Title:

Discuss providing sewer and water to Firelane 12 and Firelane 13.

Issue:

Should the Village of Harrison study the possibility of providing sewer and water to Firelane 12 and 13?

Background and Additional Information:

Recently, some residents of Firelane 12 and 13 have asked about the possibility of getting sewer and water to their homes. I did inform those residents that this has been a topic of discussion for the past 20 years. I also mentioned some of the hurdles to providing sewer and water and also discussed the last survey that was done in that area.

They have requested that the Village take a new look to see what the possibility is to provide sewer and water to that area and what the cost would be. They feel that there are new people in that area that would be interested.

Budget/Financial Impact:

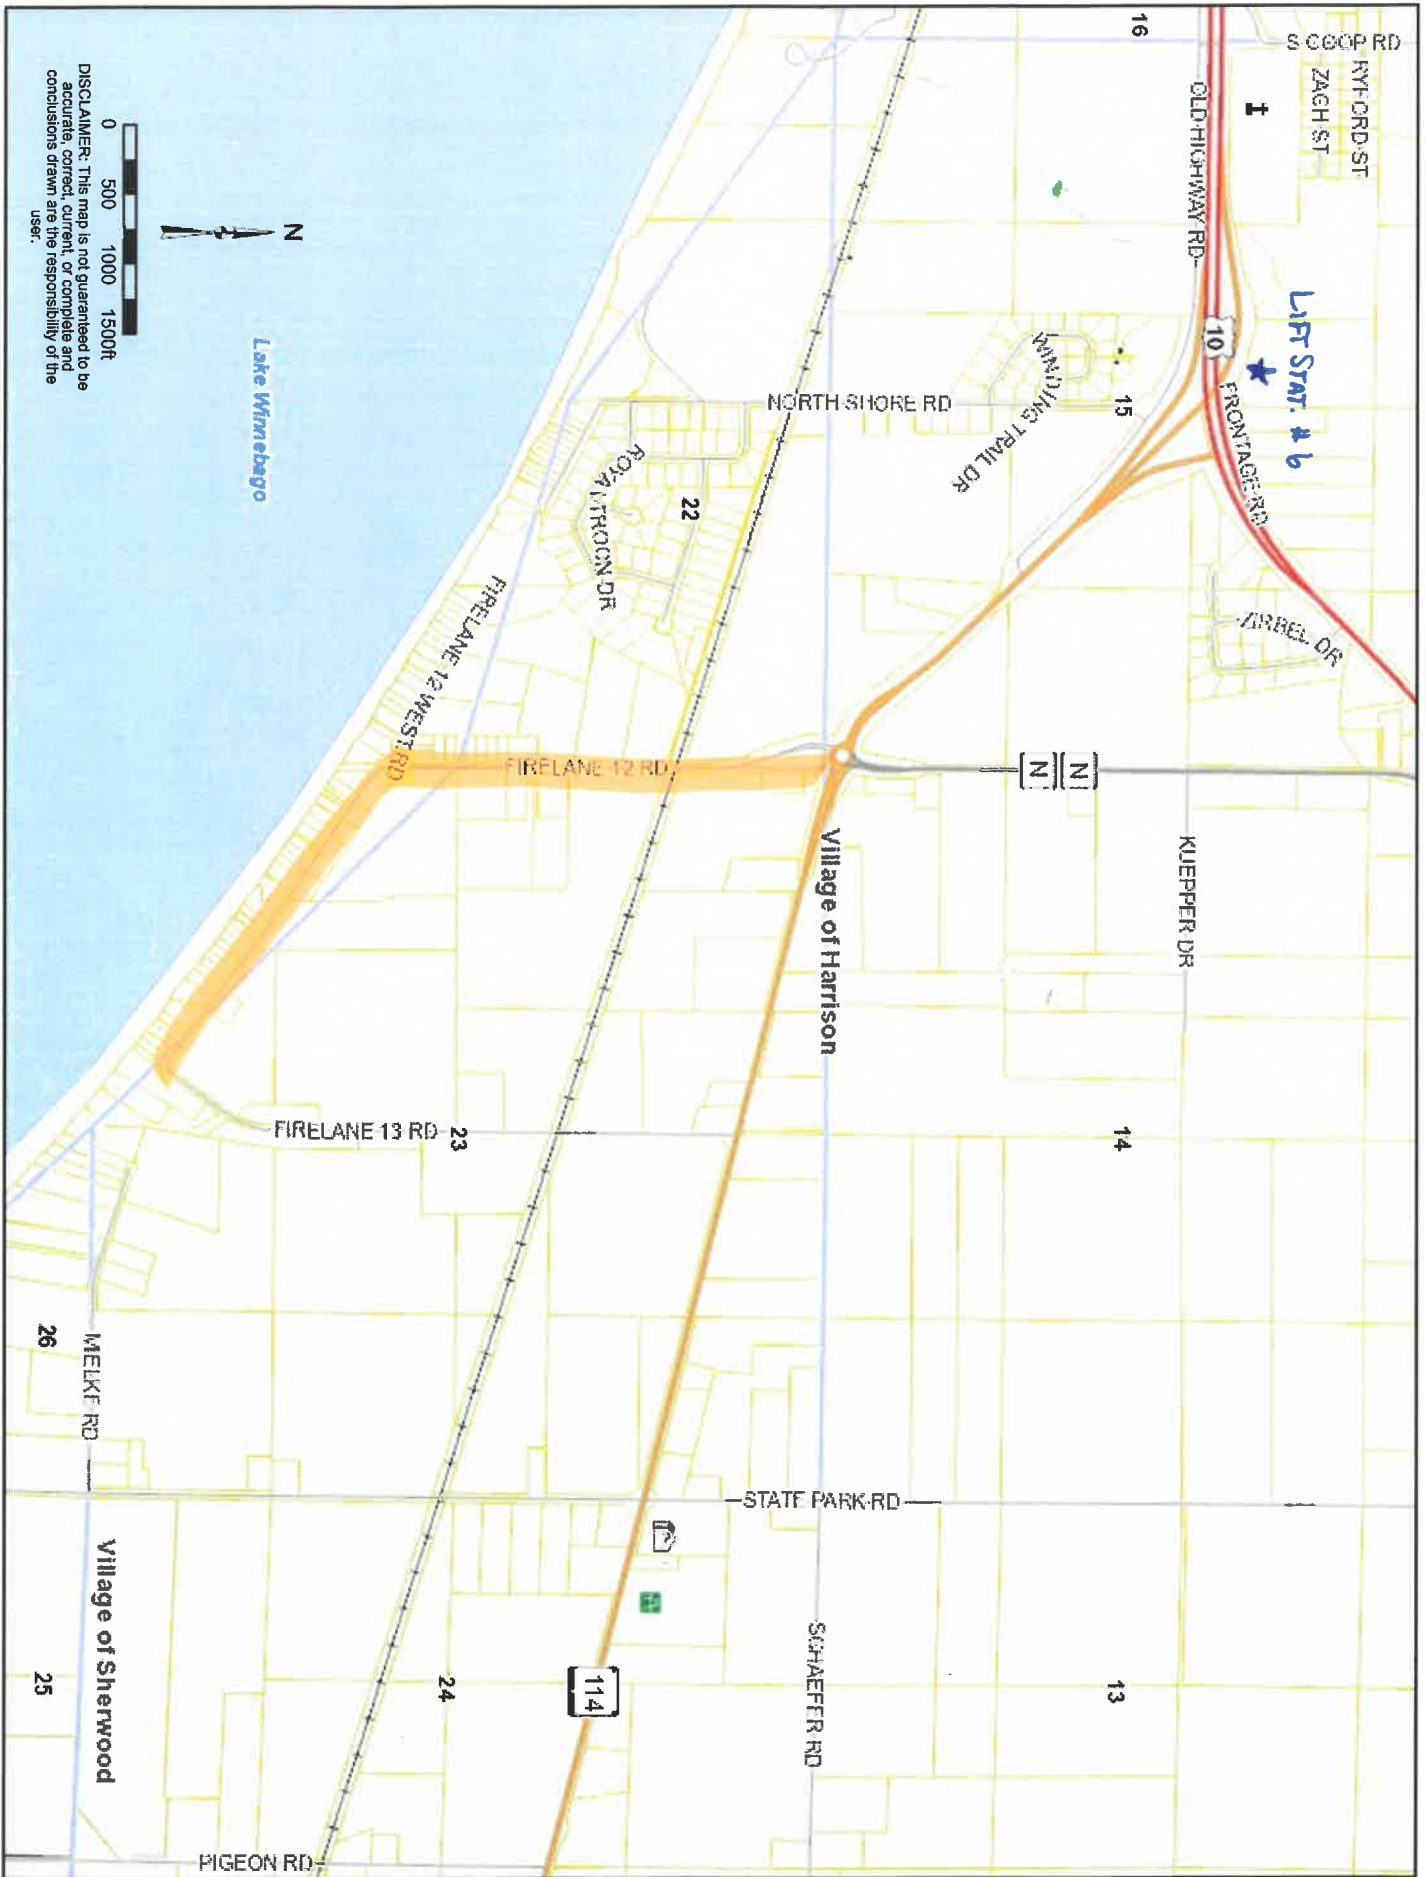

Unknown. Cost to hire a consultant/engineer.

Recommendation:

Staff recommends hiring a consultant/engineer to analysis the costs and possibility of extending sewer and water to Firelane 12 and 13.
