

Right of Way Permit Application Information

Right of Ways (ROW) areas are not privately owned property but are public property controlled by a village, county, or state.

The ROW on most Village of Harrison roads is a 66' wide path dedicated to the village for roads and their maintenance. The ROW on village roads with curb and gutter is typically 37' of hard surface plus approximately 14.5' of terrace on each side. On village roads with ditches, the ROW is typically 30' of hard surface plus approximately 18' ditch or terrace on each side.

Any alterations taking place within the Village's ROW, outside of mailbox placement or mowing, must be approved by the Department of Public Works for village roads. Calumet County approves ROW for county roads, and the Department of Transportation approves for state highways.

ROW Applications are available on the Village website Harrison-wi.org and at the Village Hall located at W5298 State Road 114 Menasha, WI.

Completed applications and questions shall be directed to the Village of Harrison Public Works Operations Manager at (920) 989-1062 x 6 or jfunk@harrison-wi.org.
